2023-24 "Hearts for Jesus" Minnesota South District Chapel Offering Project in partnership with Garuna Christian (Lutheran) Schools in Cambodia.

Lutheran students in Minnesota will have the opportunity to spread the Good News of Jesus with children and their families by helping to furnish a Garuna Christian (Lutheran) School in Cambodia. Each school averages approximately 200 K-6th grade students who are called "Garuna Kids." There are now 9 schools open in Cambodia, a country where only 2% of the population trust in Jesus. The schools are operated by Garuna in support of the development of the Cambodia Lutheran Church. Thank you for your partnership!
