

Ten for Ten

(Ten Percent for Ten Weeks)

Teaching a Lutheran Perspective on Tithing

A Three-week Stewardship Program

God's Word tells us that we are to give freely from what we have graciously received (Matthew 10:8). How can we in our financial giving show our gratitude to God for Who He is and what He has done for us through His Son? To encourage and educate us on how we should give, God gives us His giving principles, which are:

- Firstfruits giving
- Regular giving
- Proportionate giving
- Cheerful giving
- Sacrificial giving

These giving principles are incorporated in the tithe. Tithing is the practice of honoring God by faithfully giving one tenth of our incomes to Him. The tithe is a Biblically-based guide for our giving.

The "Ten for Ten" stewardship program will challenge your members to grow in the grace of giving for ten weeks. During this time of increased giving, many of your members will experience a closer relationship with Jesus as they give Him their first and best. Many of your members will take a leap of faith in their giving and some will become tithers for the first time.

This three-week program comes in a 92-page binder along with a CD.

Program cost is \$65.00 plus \$8.00 in shipping
